

Fuck Wiley

Bashy

Come on wiley man
Your a pussy man don't call mah name ever
My sisters nothing to do with this

Sister is a slag
Works by the bag
Times you've been stabbed
Addictions what u have
Wiley i know your life must be stressful
Your nearly 30 and not commercially successful
Poor wiley that's what you get guys
When your signed and you start talking shit about pies
Wiley`s a pedophile gone crazy
He`s given up on f**kin girls his age
Now he'd rather f**k baby`s
Not ladies
He`s more like r kelly than jay z
It's like if he was in a position to f**k show the hammer
He wouldn't really wanna f**k sadi
Wiley your far from poor
But your video was the cheap version of jay-z's on core
Your sisters a whore
Wiley your not raw
I never gave you my number what the f**k you ringin me for
(you agen) don't act like u want a war
You didn't want it when wonder kicked you in your jaw
Or tha first time you got bored
Wiley f**kin children`s against the law
Especially when your one year past 24
On mah hands and feet i can count 'em
The sells of your album
Parents hide your kids when wileys around them
Wiley likes 2 f**k little kids
I should nominate the pervert for the f**kin sex offenders list

Sister is a slag
Works by the bag
Times you've been stabbed
Addictions what you had
