

I Don't Wanna Know

Bass Drum of Death

I was bored on a weekend I was all alone
(?)

I don't know which way to go
I was bored on a weekend (?)

I don't wanna know it's true
I don't wanna know it's you
I don't wanna know it's true
I don't wanna know it's you

Walking round the avenue (?)
(?)
I don't know, should I stay or go?

I was bored on a weekend (?)

I don't wanna know it's true
I don't wanna know it's you
I don't wanna know it's true
I don't wanna know it's you

(Instrumental Solo)

I don't wanna know it's true
I don't wanna know it's you
I don't wanna know it's true
I don't wanna know it's you
