

An Act of Kindness

Bastille

An act of kindness
Is what you show to me
Not more than I can take
Oh, not more than I can take
Kindness is what you show to me
It holds me 'till I ache
Overflow and start to break

Oh I, got a feeling this will shake me down
Oh I, kind of hoping this will turn me round

And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day
And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day

An act of kindness
Is what you show to me
It caught me by surprise in this town of glass and eyes
Kindness, so many people pass me by
But you warm me to my core and you left me wanting more

Oh I, got a feeling this will shake me down
Oh I, kind of hoping this will turn me round
Oh I, got a feeling that however slow
Oh I, kind of hoping this will reach my soul

And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day
And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day

Oh my back's up against the wall
I feel guilty, I feel guilty
You want nothing in return
I feel guilty, I feel guilty
Oh my back's up against the wall
I feel guilty, I feel guilty
Want nothing in return
I feel guilty, I feel guilty

And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day
And now it follows me every day
And now it follows me every day
And now it follows me every day
And now it follows me every day, every day, every day

(Now it follows me everyday)

Back's up against the wall
I feel guilty, I feel guilty
And you want nothing in return
I feel guilty, I feel guilty
