

Oh Yeah

Bat for Lashes

I am whole
Hot is the night
The grass is so tall
And slow
The air is wet
And I feel alive
Let the perfume drip
Let it rise!

I am whole
And I walk the night
Luscious and lost
So alone
Touch the rocks
And lick the light
Let the hot winds howl
So slow

Here I am
Looking for a lover to climb inside
Waiting like a flower to open wide
I'm in bloom!

I lie low
I'm ready to try
The tapestries turn
And grow
Creepers crawl
And kiss my thighs
And the headiness howls
Rise and rise!

Here I am
Looking for a lover to climb inside
Waiting like a flower to open wide
I'm in bloom!

Here I lie
Lying like a flower with no more time
Waiting for another to come inside
I'm in bloom!

Oh yeah! Oh Yeah!
