Last Christmas

Last Christmas, I gave you my heart But the very next day you gave it away This year, to save me from tears I'll give it to someone special

Last Christmas, I gave you my heart But the very next day you gave it away This year, to save me from tears I'll give it to someone special

Once bitten and twice shy I keep my distance, but you still catch my eye Tell me baby, do you recognize me? Well it's been a year, it doesn't surprise me

Merry Christmas, I wrapped it up and sent it With a note saying "I love you", I meant it Now I know what a fool I've been But if you kiss me now, I know you'd fool me again

Last Christmas, I gave you my heart But the very next day you gave it away This year, to save me from tears I'll give it to someone special

A crowded room, friends with tired eyes I'm hiding from you, and your soul of ice My god I thought you were someone to rely on Me?, I guess I was a shoulder to cry on A face of a lover with a fire in his heart A man undercover but you tore me apart Ooooh oooh Now I've found a real love, you'll never fool me again

Last Christmas, I gave you my heart But the very next day you gave it away This year, to save me from tears I'll give it to someone special

Last Christmas, I gave you my heart (gave you my heart) But the very next day you gave it (you gave it away) This year, to save me from tears I'll give it to someone I'll give it to someone special
