Disney Girls

Beach Boys

Clearing skies and drying eyes Now I see your smile Darkness goes and softness shows A changing style

Just in time words that rhyme Well bless your soul Now I'll fill your hands With kisses and a Tootsie Roll

Oh reality, it's not for me
And it makes me laugh
Oh, fantasy world and Disney girls
I'm coming back

Patti Page and summer days On old Cape Cod Happy times making wine In my garage Country shade and lemonade

Guess I'm slowing down
It's a turned back world
With a local girl
In a smaller town

Open cars and clearer stars
That's what I've lacked
But fantasy world and Disney girls
I'm coming back

Love...Hi Rick and Dave
Hi Pop...Well good morning mom
Love...get up guess what
I'm in love with a girl I found
She's really swell
Cause she likes
Church, bingo chances and old time dances

All my life I spent the night With dreams of you And the warmth I missed And for the things I wished They're all coming true

I've got my love to give And a place to live Guess I'm gonna stay It'd be a peaceful life With a forever wife And a kid someday

It's earlier nights
And pillow fights
And your soft laugh
Fantasy world and Disney girls
