Beach Fossils

The word is out for sleep
And you're just hanging on
To the friends that you keep
I hear all over
Watch the land unfolding the night
Shine on

Sun goes down
Time goes on

Haaahahaaaah...

You're here now with the woe
Dreary as you can be
You know you're right in the end
Wherever you've been
I know that you can make it on your own, my friend

Sun goes down
Time goes on

Haaahahaaaah...
