

Plastic Flowers

Beach Fossils

I think of you every day
I just can't wait to send you plastic flowers
Today I'll be far away
So I'll talk to you on the telephone

Nevertheless, I'm happy to say
Everyone knows me
Everyone knows my name
And I know they do
Listen to like me? too
Everywhere I go, they're smiling
And I know they do

I think about yesterday
When I heard you say, "His majesty is dreaming"
Tomorrow as I awake, the beds will shake
While the palace was all crumbling

Nevertheless, I'm happy to say
Everyone knows me
Everyone knows my name
And I know they do
Listen to like me too
Everywhere I go, they're smiling
And I know they do

Looking for a trace, a trace of my second base
Yes, I'm looking
I'm looking for something, that no one else could bring
It's not something

Nevertheless, I'm happy to say
Everyone knows me
Everyone knows my name
And I know they do
Listen to like me too
Everywhere I go, they're know me
And I know they do

Nevertheless, I'm happy to say
Everyone knows me
Everyone knows my name
And I know they do
