

# I Don't Know

Beastie Boys

What's pleasing to the eye  
In the delusion of my sight  
Is not what I find when I reach into the light  
I have lost my mind  
I'm walking through time  
Deluded as the next guy  
Pretending and hoping to find  
That distant peace of mind

I don't know  
Who does know  
There is no  
Where to go

It's not so simple as I try to wish  
But then again what is?  
There is no other worthy quest  
So on I go

I don't know  
Who does know  
There is no  
Where to go
