Beastie Boys

I saw bureaucrat lookin' at me
I'm gonna go on a killing spree
Don't vote for him, vote for me
He's a bureaucrat now I'm Beastie

The new Reagan policy
Is getting the best of me
The new Reagan policy
Is getting the best of me
You know that tendency KFC, baby

Ri-ri-riot fight

Walking around late at night
Adjusting things in my sight
Everyone smokes a joint
Everyone's carrying a grudge

The new Reagan policy
Is getting the best of me
Oh yes, KFC tendency, Beastie

I saw bureaucrat lookin' at me
I'm gonna get to go on a killing spree
Don't vote for him, vote for me
He's a bureaucrat now, I'm Beastie

Walking around late at night
See the things in my sight

Ri-ri-right now
Bad enough
