

Reality

BEAT CRUSADERS

Met you by surprise, I didn't realize
That my life would change forever
Saw you standing there, I didn't know i cared
There was something special
in the air

If you do exist, honey don't resist
Show me a new way of loving
Tell me that it's true
Show me what to do
I feel something special about you

Dreams are my reality
The only kind of real fantasy
Illusions are a common thing
I try to live in dreams
It seems as if it's meant to be

Dreams are my reality
A different kind of reality
I dream of loving in the night
And loving seems alright
Although it's only fantasy

Met you by surprise, I didn't realize
That my life would change forever
Tell me that's it true
Feelings that are cue
I feel something special about you

Dreams are my reality
The only kind of reality
Maybe my foolishness has past
And maybe now at last
I'll see how a real thing can be

Dreams are my reality
a wondrous world where i like to be
I dream of holding you all night
And holding you seems right
Perhaps that's my reality

Dreams are my reality
The only kind of real fantasy
Illusions are a common thing
And loving seems alright
Although it's only fantasy
