

# Within You Without You

The Beatles

1. We were talking about the space between us all  
And the people who hide themselves  
behind a wall of illusion  
Never glimpse the truth  
then it's far too late  
when they pass away.
2. We were talking about the love  
we all could share when we find it  
To try our best to hold it there with our love  
With our love we could save the world  
if they only knew.
3. Try to realise it's all within yourself  
No one else can make you change  
And to see you're really only very small,  
And life flows within you and without you.
4. We were talking about the love  
that's gone so cold and the people,  
Who gain the world and lose their soul  
They don't know they can't see  
are you one of them?
5. When you've seen beyond yourself  
then you may find, peace of mind,  
Is waiting there  
And the time will come when you see  
we're all one, and life flows on  
within you and without you.
