

# Reason To Dance

Bebe & Cece Winans

A yeah

Anybody ready to move

Some one said to me I can't take this economy  
I've got a family and everybody's counting on me  
Well looking at you there's something I don't see  
I know you've issues but you don't seem to worry

Well this peace that no one understands but me  
And I'm living today because I found a way to be good with what  
happens to me

[Chorus]

I got to find a reason to dance  
I'm talking joy, joy, joy  
Said I got to find a reason to dance  
I'm talking joy, joy, joy

Someone said to me how can I smile  
When people don't have food to eat  
And does He even care  
I feel so bad, so bad for all the people  
Who don't believe that he's always there

To give us peace when don't understand somethings  
And I'm living today because I found to be good with what happens to me

Oh I got find a reason to dance  
I'm talking joy, joy, joy  
I got find a reason to dance  
I'm talking joy, joy, joy

Ku-rahm-nee ah cus seenda  
Ku-rahm nee ah cus seenda

I gotta reason  
I found a reason to dance  
Yeah yeah  
Well I gotta reason  
I found a reason to dance yeah yeah

I got to find

[Chorus]
