

Stand

Bebe Winans

After you've done all you can
After you've done all you can
After you've done all you can
After you've done all, all you can, yeah, yeah, yeah
After you've done all you can, you just stand

Tell me, what do you do when you've done all you can do
Seems like it's never enough
Tell me what do you say when your friends turn away
And you're alone, so alone
And tell me, what do you give when you've given your all and
Seems like you can't make it through

Well, you just stand when there's nothing left to do
You just stand, watch the Lord see you through
After you've done all you can, you just stand

And tell me, how do you handle the guilt of your past
Tell me, how do you deal with the shame
And tell me how can you smile when your heart has been broken
And filled with pain, oh filled with pain
And tell me, what do you give when you've given your all
And it seems like you can't make it through

Well, you just stand when there's nothing left to do
You just stand, watch the Lord see you through
Yes, after you've done all you can

You just stand and be sure
And be not entangled in the bondage again
You just stand and endure
'Cause God has a purpose, God has a plan
Tell me, what do you do when you've done all you can
And it seems, it seems like you can't make it through

Well you just stand, just stand, you just stand
And don't you dare give up
You go through the storm and through the rain
You stand through the hurt and through the pain

Hold on, and don't give up, yeah
You hold on, don't you dare give in
Stand, stand, oh you stand
Said you just stand

After you've done all you can, after you've done it
After you've done all you can, after you've done it, yeah
After you've prayed and cried, cried and prayed
After you cried all through the night, all, all through the night

You plant your feet, squared your shoulders
Hold your head up and wait on him
He's gonna come through, yes he will
You've done all you can do, yeah
After you've done all you can, you just stand
You just stand
