

## Stay

Bebe Winans

Once again your eyes make it hard to say goodbye  
So I'll just keep driving  
Where you wanna go? It doesn't really matter  
As long as you are here with me

There's something in the air tonight  
Something that makes me feel alive  
And I said what were the words that you said to me?  
That made me feel so special now

Once again your eyes make it hard to ask you why  
So I sit here, knuckles tied  
Hands against the wheel, your head against the glass  
And you mean so much to me

There's something in the air tonight  
Something that makes me feel alive  
And I said what were the words that you said to me?  
That made me feel so special

Stay with me  
Cigarettes in open air, hand in hand  
And I said stay with me  
'Cause every star that I see, is better than the last

So stay with me
