

# End Of The World

## Before You Exit

Na na na na na na na, Na na na na na na  
Na na na na na na na, Na na na na na na

Hey girl, whatcha say?  
Why you pushin' me away?

Wishin' we were closer, but we're not  
Do you want me to go away now, or to stay?  
You can't have it both ways  
You're like a roller coaster  
Cause you're up, then you're down

Can't you see?  
I'm all in and it's just not like me  
To want you, want you

Want you to love me like it's our last day baby  
Love me like it's our last day girl  
Want you to love me like it's our last day baby  
Love me like it's the end,  
Love me like it's the end of the world

Na na na na na na na, Na na na na na na  
Na na na na na na na, Na na na na na na

Hey girl, what's it take,  
To get your heart before mine breaks?

I've been givin' my all,  
Don't lead me on to let me fall

Can't you see?  
I'm all in and it's just not like me  
To want you, want you

Want you to love me like it's our last day baby  
Love me like it's our last day girl  
Want you to love me like it's our last day baby  
Love me like it's the end,  
Love me like it's the end of the world

Like it's the end of the world (like it's the end of the world)  
End of the world (like it's the end of the world)

We can't afford to fake it  
This is our time to make it  
Like it's our last few seconds  
Why can't you give us a chance?

Want you to love me like it's our last day baby  
Love me like it's our last day girl  
Want you to love me like it's our last day baby  
Love me like it's the end,  
Love me like it's the end

Want you to love me like it's our last day baby  
Love me like it's our last day girl

Want you to love me like it's our last day baby  
Love me like it's the end,  
Love me like it's the end,  
Love me like it's the end of the world

Na na na na na na na, Na na na na na na  
Na na na na na na na, Na na na na na na
