Everybody's here, it's time to celebrate
you can see it's clear, you know I just can't wait
it is destiny, feel the energy
can you see the moon is shining bright
let the rhythm be your guide tonight

Baila, Baila dance with me, oh
Baila, Baila's got to be, oh
take me to the edge of heaven,
aiaiaiaia
Baila, Baila you and I, oh
baby we can touch the sky, oh
I know that it's now or never, aiaiaiaiaia
