

# Hand In Hand

beFour

Alina:

There's a place right in your Heart  
It's brighter than outside

Angel:

If you try a brand new start  
There's no need to cry

BeFour:

There are Ways to reach that place  
Eye to Eye and Face to Face  
Try it cause it's time to heal the world...

Cause Hand in Hand there is a new chance  
and Hand in Hand in Peace and Harmony  
In the End we owe it to the future  
cause we believe in peace and harmony

Manou:

Make this world a better place  
It's time to make a change

Dan:

You and the entire race  
Simply rearrange

BeFour:

Make this planet shine in grace  
Do it for a joyful face  
God created heaven here on earth...

BeFour:

Cause Hand in Hand there is a new chance  
and Hand in Hand in Peace and Harmony  
In the End we owe it to the future  
cause we believe in peace and harmony

Angel:

Eeee...!

BeFour:

Cause Hand in Hand there is a new chance  
and Hand in Hand in Peace and Harmony

Dan:

Uoooo...!

In the End we owe it to the future  
cause we believe in peace and harmony

Angel & Manou:

Turn around and say goodbye  
to all these drags and fears

Dan & Alina:

Let our sprits never die  
and Time will dry your tears

(Dan:

Hand in hand)  
(Angel:  
And there's a new chance)  
(Alina:  
In peace and harmony)  
BeFour:  
In the End we owe it to the future  
(Angel:  
We owe it to the future)  
BeFour:  
Cause we believe in peace and harmony  
(Alina:  
Hand in hand)  
BeFour:  
Cause Hand in Hand there is a new chance  
(Manou:  
A new chance)  
BeFour:  
And Hand in Hand in Peace and Harmony  
In the End we owe it to the future  
Cause we believe in peace and harmony  
  
Alina:  
Cause we believe in peace and Harmony...
