

# Message Of Freedom

beFour

The miracle is close to you  
Cause you can make your dream come true  
Your destiny lies in your hands  
Takes your tears away

When love and peace is in your heart  
You truly make a brandnew start  
The time is now, the tide is high  
Rise your Hands and pray

Send a message of freedom, a message of love  
High up to the Mountains, to the heaven above  
Send a message of freedom, a message of joy  
This is going out to every girl, every boy

Message of Freedom, Message of Fortune  
Message of peace and Harmony  
Message of Freedom, Message of Fortune  
Best things in life are still for free

The magic touch right in your soul  
Will make you take your self control  
Just trust yourself and you will see  
Life in harmony

Well heavens got an open door  
Just keep your feet down in the floor  
The time is now, the tide is high  
Raise your hands an pray

Send a message of freedom, a message of love  
High up to the Mountains, to the heaven above  
Send a message of freedom, a message of joy  
His is going out to every girl, every boy

Message of Freedom, Message of Fortune  
Message of peace and Harmony  
Message of Freedom, Message of Fortune  
Best things in life are still for free
