

Send me an SMS, I need that sweet caress

Wanna be with you just you

Send me an SMS, come take my loneliness

Oh I feel so blue

I laying here alone and sad

Just starrng at the phone

Why don't you simply make me glad

I'm waiting on my own

And I wonder why I miss you so

No need to be shy, no need to go

There's just you and I, please don't say no

I feel my heart's out of control

Send me an SMS, I need that sweet caress

Wanna be with you just you

Send me an SMS, come take my loneliness

Oh I feel so blue

My display staying dark tonight

Tell me where are you now

My heart is aching deep inside

Gimme a call somehow

I hope that you send a message soon

The phone in my hand takes me to you

The heartache will end there won't be gloom

I'm waiting in that lonely room

Send me an SMS, I need that sweet caress

Wanna be with you just you

Send me an SMS, come take my loneliness

Oh I feel so blue
