

## Gamez

Bei Maejor

Video game lover, we should, with each other  
I said, video game lover, we should, with each other  
Don't act like we don't feel the same  
Baby, baby, baby quit playin' them games  
Don't act like we don't feel the same  
Baby, baby, baby quit playing them games

Let's go, back up in the game, what's good? What's poppin?  
Maejor on the stage got the whole party rocking  
When they see the kid they be pulling down their stockings  
Cause she know what is, yea I get the bed rocking  
(Come on) Hop up in my car let me get some of that toppin  
And if you don't ah, Imma look at other options  
She is on my level so, she got them panties droppin  
Imma beat it, beat it, beat it, beat it ain't no stoppin  
Come and play with a boss, amazing of course  
I'll have your eyes roll back dazed then look lost  
She playing with my joystick all in my subs seater  
I'm pushing on her buttons, yep, playing on her features  
I never leave her cause I heard that its cheaper to keep her  
So imma keep her cause I love how it feels when I freak her  
Them other girls try, but it ain't the same  
Cause she be up and down like a video game

Video game lover, we should, with each  
Video game lover, we, with each other  
Don't act like we don't feel the same  
Baby, baby, baby quit playing them games  
Don't act like we don't feel the same  
Baby, baby, baby quit playing them games

She was running plays, straight game like madden  
Had me out my zone, wait, how did this happen?  
She knew I was close to the bread like steadmen  
So do it in the name of love like stephon  
Let's go for a ride baby, don't be such a loser  
'cause once I power up, you'll be saying that I'm super.  
I don't discriminate I got young ones, I got cougars  
I even got a British chick, she drive a mini cooper  
Come and play with a boss, amazing of course  
I'll have your eyes roll back, dazed then look lost  
All up in her momma craven and kissing in the kitchen  
She knew what it was, she was acting like she didn't  
Pass her to my niggas man, shout out to Bei Maejor  
They slate her right there, watching how to be a player  
Them other girls try but it ain't the same  
She be up and down like a video game

Video game lover, we should, with each other  
I said, video game lover, we should, with each other  
Don't act like we don't feel the same  
Baby, baby, baby quit playing them games  
Don't act like we don't feel the same  
Baby, baby, baby quit playing them games

I don't wanna play, I don't wanna play,  
I just wanna get straight to the end

I don't wanna play, I don't wanna play,  
I just wanna jump straight in the bed

Video game lover, we should, with each other
