

# Landslide

Beirut

There's a landslide back home  
Pity I can't hold on  
I should really behold  
My world washed clear by stone

There's a landslide back home  
Only when I'm alone  
Could we ever have known  
How the waves would return

Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye

There's a landslide back home  
Now I can't really go on  
And I laid on the stone  
And it keeps my heart warm

If you ever return  
In a wonderful form  
Don't you wait out the storm  
Just pull roots and move on

There's a landslide back home  
Pity I can't hold on  
I should really behold  
My world washed clear by stone

Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye  
Oh, aye
