

# All God's Children

Belinda Carlisle

I believe in you  
Do you believe in me?  
Please say you do.  
Oh can't you see that  
Everytime I try to live alone  
I find that I can't make it on my own  
So please bless my dreams.

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone needs real love.

Right out from the start  
I was taught to listen to my heart  
So when I tell you 'this is real'  
I know I'm not mistaken,  
Help me heal,  
Don't leave my heart to break in two  
Without you.

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone needs real love.

One and all  
You'll offer no exceptions  
When you call,  
Baby let your love shine through,  
Bright and true.

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone needs real love.

All God's Children  
Glad or sad  
Good or bad

All God's Children  
Dark or light  
Day or night  
They need real love.
