

The Situation

Bell Biv DeVoe

Pick it up, pick it up...
Pick it up, pick it up...
Pick it up, pick it up...

Just wait a minute, girl there's something going on
You've been acting kinda strange, girl
No, don't sit there and tell me everything's alright
Cause you've been away for a while

(You can't seem to find the right words to say it)
Hmm, if you still love me, let me know
(And you should know that I will always be there for you, girl)
Oh.. girl! It's time to let your feelings show

I haven't seen you for a while
(Haven't seen, you for a while)
And now you say you have my child
(Now you say, you have my child)
Well, even though it's been a year
(Even though, it's been a year)
Girl, I still want to have you near
(I still want, to have you...)

Reminiscing on the time we spent
At the crib, later by 8 and no ad-lib
You in the red silk and me in the black
Yeah, slow dancin by the pool out back
Then I dove deep (in between the sheets)
Thinkin back, was it a trap? I shoulda never rode bareback
Woke up a year later, I saw you again
This time, I see you brought a little friend
("Daddy?")

I haven't seen you for a while
(Haven't seen, you for a while)
And now you say you have my child
(Now you say, you have my child)
Well, even though it's been a year
(Even though, it's been a year)
Girl, I still want to have you near
(I still want, to have you...)

Girl, I want my baby, ooh
To stay right here with me, yeah
You see, cause I don't want nobody else to raise my child
I'll step up, be a man
And I will do all that I can, to help you out, girl

(You can't seem to find the right words to say it)
Hmm, if you still love me, let me know
(And you should know that I will always be there for you, girl)
Oh.. girl! It's time to let your feelings show

Ooh shit! Hittin skins and the hat pops
Pushed in the bush comes a big fat, nut
Honey didn't tell me that the torch was lit - ssss!
I had the fever runnin through my body

Three days later, had to tell my hottie
Her love for me, I will surely miss
I took two to the booty, so I won't be dick - less

I haven't seen you for a while
(Haven't seen, you for a while)
And now you say you have my child
(Now you say, you have my child)
Well, even though it's been a year
(Even though, it's been a year)
Girl, I still want to have you near
(I still want, to have you...)
