

## Maybe By Then

Bellamy Brothers

I guess we used each other up I guess it's time for us to go  
Our separate ways cause the happy days won't come any more  
I can surly say I miss you, I remember how it was before  
I ran away what's there to say when we're not really sure

Maybe by then I'll see it your way  
Maybe again a light will shine  
Maybe by then it'll be a brand new day  
And we'll call it yours and mine, maybe by then

I really thought we had it together I guess it's natural to disagree  
But it's sad when a heart can't count on a thing like you and me  
I already know I need you I'll be comparing then tonight  
But who knows with time and a long hard climb  
It's just my work out tonight

Maybe by then I'll see it your way  
Maybe again a light will shine  
Maybe by then it'll be a brand new day  
And we'll call it yours and mine, maybe by then

Go ahead now and say that it's over when love is down let it lie  
Just lay your head upon my shoulder and let's have a real good cry  
It might even bring us a little bit closer now wouldn't that be so fine  
And by the time we broke up there was love light in our eyes

Maybe by then I'll see it your way  
Maybe again a light will shine  
Maybe by then it'll be a brand new day  
And we'll call it yours and mine, maybe by then
