

# Take Me Home

**Bellamy Brothers**

Sometimes I feel like a child  
Sometimes I feel like a lonely ocean  
Sometimes it seems that the road never ends  
Sometimes I howl like the wind

Sometimes I fall like the rain  
Sometimes the rain brings the blues to your mind  
Sometimes I see that the world is so blind  
Sometimes I just want to go home

Take me home, home  
Take me away  
Take me home  
Home today

Sometimes I burn like a fire  
Sometimes I'm wild like a river that flows  
Down to the ocean to drown in all my dreams  
Sometimes I am lost, so it seems

Take me home, home  
Take me away  
Take me home  
Home today

Take me home, home  
Take me away  
Take me home  
Home today

Sometimes I soar like a bird  
Sometimes a bird in a cage sings no more  
Sometimes an eagle can't fly  
Sometimes it's useless to try

Take me home, home  
Take me away  
Take me home  
Home today

Take me home, home  
Take me away  
Take me home  
Home today
