

When I'm Away From You

Bellamy Brothers

When I'm away from you well, I can't stay still
My thoughts won't move from the way I feel
It happens time and time again
And the circle never ends

When I'm away from you
Well it hurts to say
My sense has gone so far away
I'm up all through the night
And I can't tell wrong from right

When I'm away from you I see great big clouds
In the fog and rain all the lonely crowds
They seem to be so blue
Every night I'm missing you

When I'm away from you well the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh, you know

It's all the things you do that make life worth while
Like the way you talk and the way you smile
It's all the things you do keep me hanging on
And you know, don't you know

When I'm away from you well the wine won't flow
The tides don't turn and the wind don't blow
I'm up all through the night
And I can't tell wrong from right

When I'm away from you the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh, you know

It's all the things you do that make life worth while
Like the way you talk and the way you smile
It's all the things you do keep me hanging on
And you know, don't you know

When I'm away from you
Well it hurts to say
My sense has gone so far away
It happens time and time again
And the circle never ends

When I'm away from you well the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh, you know
It's all the things you do that make life worth while
Like the way you talk and the way you smile
It's all the things you do keep me hanging on

And you know, don't you know

When I'm away from you well the sun don't shine

The mood don't come

The words don't rhyme

When I'm away from you...
