This old man I've talked about Broke his own heart,
Poured it in the ground
Big red tree grew up and out,
Throws up its leaves,
Spins round and round.

I know all this and more So take your hat off When you're talking to me And be there when I feed the tree

This little squirrel I used to be Slammed her bike down the stairs They put silver where her teeth had been Baby silvertooth, she grins and grins

I know all this and more
So take your hat off boy
When you're talking to me
And be there when I feed the tree

Take your hat off boy When you're talking to me And be there when I feed the tree

This old man I used to be Spins around, around the tree Silver baby come to me I'll only hurt you in my dreams

I know all this and
I know all this and
I know all this and more

So take your hat off boy When you're talking to me And be there when I feed the tree

Take your hat off
When you're talking to me
And be there when I feed the tree
