

Sado Messiah

Belphegor

Brilliant totality - illuminate aethyrs
A shadow falls - shatters the veil
Necrosis draped in ruin - immutable
Malachite - your eyes inlaid in silver

SADO MESSIAH - a conquest of mortality
I'll eat your heart - to taste you again
SADO MESSIAH - your eyes reflect, no remorse
Your cunt is cold - your lips of fire

Brilliant totality - illuminate aethyrs
Smash the plateau of humanity - incredulous
Barren harlot propagating vice
Ingenious submission - as I tear apart

SADO MESSIAH - a conquest of mortality
I'll eat your heart - to taste you again
SADO MESSIAH - your eyes reflect, no remorse
Your cunt is cold - your lips of fire
