Drowned in fire To heal my wounds I stab the kruzifix Through your - your forehead

Dead, your god is dead Strangled with a rosary Dead, your god is dead Sepulture of hypocrisy Dead, your god is dead Squealing like a pig Dead, your god is dead Sepulture of hypocrisy

We burn your scriptures Damned in fire, you fucking failed So take your - your last breath Feel the iron through your veins

Dead, your god is dead Strangled with a rosary Dead, your god is dead Sepulture of hypocrisy Dead, your god is dead Squealing like a pig Dead, your god is dead Sepulture of hypocrisy Belphegor
