Belvedere

Leave me alone,  
Don't want to talk  
About anything at all  
Except for sleep  
And maybe some peace of mind  
Leave me alone

Time on my own  
Talk myself to sleep  
I'll ignore any reminder  
Of my normal life

So leave me alone  
So leave me alone

Time on my own  
Talk myself to sleep  
I'll ignore any reminder
