Don't Give Up on Me Now

Ben Harper

Time, it opens all wounds

And trust is gonna put me in the tomb

The world isn't mine, the world isn't mine to save

I can't afford to lose what you resell and throw away

And I don't even know myself, What it would take to know myself Iï»; need to change, I don't know how Don't give up on me now

It's not what we do, it's what we do with what we feel
Takes all you have to stare it down, and whisper "Devil, no dea
1 "

And I don't wanna fight, don't wanna fight my father's war You can wait your whole life Not knowing what you're waiting for

And I don't even know myself,
What it would take to know myself
Iï»; need to change, I don't know how
Don't give up on me now, don't give up on me now
Don't give up on me now, don't give up on me now

I don't even know myself, What it would take to know myself I need to change, I don't know how Don't give up on me now
