 Is gonna come too soon....

EmDR: She only wants to be wantedCBut time crumbles blue roses to dustEmDAnd now I long to feel the touch from your lust

2. Scars on your back tell where you've been but I'll roll like the ocean if you blow like the wind sweet texas angel, what have your blue eyes seen I'll be your country gentleman if you'll be my masondixon queen

R: She only wants to be wanted...

3. So much sweeter than all the rest You're what lies between pain and death sinners and saints call you by name if your gonna take the praise your gonna have to learn to ta ke the blame

R: She only wants to be wanted...
