

Float On

Ben Lee

I backed my car into a cop car the other day
And he just drove off, sometimes life's okay
I ran my mouth off a bit too much, oh, what did I say
You laughed it off, it was all okay

And we all float on okay
Yeah, we all float on okay
Yeah, we all float on alright already
We all float on okay

A fake Jamaican took every last dime with that scam
It was worth it to learn from sleight-of-hand
Bad news comes, don't you worry even when it lands
Good news will work its way to all them plans

And we all float on okay
Yeah, we all float on okay
Yeah, we all float on alright already
We all float on okay

We both got fired on exactly the same day
We'll float on good news is on the way
Bad news comes, don't you worry even when it lands
Good news is on the way

And we all float on okay
Yeah, we all float on okay
Yeah, we all float on now don't worry
We all float on
