

Rise of the Fearmonger

Beneath the Massacre

Falling victim to
A usurper reaching the highest rank
Elevating his privileges to new heights

Rise of the fearmonger
Thriving on misery
Prowling and searching for victims, weak minded
Fear caused immobilism
Embracing escapism

Spreading fear while preparing for war
Deceiving a captive audience
Hanging
Hanging on every word that slips from his lips
Trusting a traitor
But the narrative suits them so well
Falling victim to an upstart with a fitting narrative
Falling victim to hate
Falling victim to an upstart with a fitting narrative

Falling victim to

Rise of the fearmonger
Thriving on misery
Prowling and searching for victims, weak minded
Fear caused immobilism
Embracing escapism

Oh, the demagogue's endless speeches to
Excuse the
Incarceration by millions to protect their peace and security
Confinement is the costly price that is paid
The price that is paid
The price that is paid

Falling victim to
A usurper reaching the highest rank
An upstart with a fitting narrative, falling victim to
