

By the Ports of Europe

Benjamin Clementine

By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe

By the ports of Europe
A free lion is angry
Buffalos are coming
By the ports of Europe
An eagle cries
Fish are multiplying
By the ports of Europe
"Don't know why", said the wandering swine

Every one set coming
Every one set coming
Every one set coming
By the ports of Europe
Every one set coming
Every one set coming
Every one set coming
By the ports of Europe
Every one set coming
Every one set coming
Every one set coming
By the ports of Europe

By the ports of Europe
A thief whispers to Princess:
"Should we leave or stay?
Have we enough takes?"
By the ports of Europe
"Don't know why", said the wandering swine

Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Bello Bello

Porto Bello, Porto Bello
Porto Bello, Porto Bello
Porto Bello, Bello Bello
Porto Bello, Bello Bello

Porto Bello, Bello Bello
Porto Bello, Bello Bello
Porto Bello, Bello Bello
Porto Bello, Bello Bello
Porto Bello, Porto Bello
Porto Bello, Porto Bello

Oh,
Out of ports of Europe
Out of ports of Europe
Out of ports of Europe
Out of ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe (no, no, no I said)
By the ports of Europe
Out of ports of Europe (out the ports of Europe)
Out of ports of Europe (out the ports of Europe)
Out of ports of Europe (out the ports of Europe)
Out of ports of Europe (yeah, whatever)

A star twinkles not on a tree
But in front of a TV screen
For one wonders when it will end
Are the ports of Europe
For much of the day to mend

By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
By the ports of Europe
