

## Fam 1st

Berner

Money, women and weed  
Liquor, jewelry and V's  
Come and party with G's  
Become a part of this thing  
What's the thing? Make the plan work  
What's the plan? Keep the fam first  
Money, women and weed

(HA-HAAAEHH!)

If you ask me you should get your mouth wired (shut)  
You're a insider, talking to the outsiders  
Provider and a earner (uh)  
Lot of different styles, plus he stay with the burner (40..)  
Mix the cookies with the haze  
What's ya sneaker game like? Youse a rookie with the J's  
Road trip from L.A. to Oakland  
All we doin is fillin up the tank and we smokin (light that)  
You Piru'in or your Loc'in (umm)  
Either way your appreciation is unspoken (true)  
We move around like a carousel (uh)  
These particular vibes are unparalleled, what?

Donnie, Vybz Kartel, smoke like I'm a rasta  
Drink, then I see it clearer, look at the impostor  
Fresh out the Federal, my nigga is home  
Triflin though, he got my homie baby moms in his phone  
Yeah, I don't want beef but I'm no chump  
And I ain't with the politics either but fuck Trump  
Bump-bu-bu-bu-bump  
Yeah, that's that Berner and P  
Sheek and Jada, bitches be like "OMG"  
Who the fuck I am?  
I been in this game, if you don't know, Shazam  
This gangsta shit  
Fuck your society, nigga, I ain't supposed to fit  
I'm pretty nice on the mic, that's the most of it

Let's make a toast to this  
Let the mimosa hit  
Purple punch and the clementine  
Get knocked with the work  
There's no one to identify  
Mob, you a friend of mine  
Now we acquaintances  
You can let a hundred fly  
Depending how link it is  
It's smooth like furniture  
I was on the plane, get the food saved for when I land  
When you was out turnin up  
Foreign and my Playstation, vacation burnin up  
Back to the studio, maybe 'cause I'm studios  
Y'all niggas is dubious

Me I like the doobie, 'cause I doobin in the spa  
When niggas gon' let the shooter in  
You can play your hand first  
All I know is fam first  
I'ma get a couple drinks but light a couple grams first (Ghost..)

And let the ice hash bubble up  
And fuck your double cup, I'm tryin to fill a couple trucks  
I want a grand in every one I touch  
Yeah, the coke so dumb the whole area numb  
I just buried two mill and bought me a new gun  
I put five in the air, sent the rest on the ground  
Tell these fake drug dealers, stop taking our sound  
This that fly shit  
I just wanna get high and celebrate as soon as it arrives  
9:00 AM flight, I'm on a plane a hunnid grand  
I only rock with my fam  
Fuck all these random hands out
