

Feel

Berner

Yeah
Oh
Yeah
Oh

I'm into Latin girls with nice long hair
Yeah, my bitch drive me crazy, but I don't really care
Fuck a love song, this a drug song
I'm on two blue Zann's and this mud strong
I just counted a hundred thousand and the drugs on
It get bad when the plug gone
I just left town, took a trip for a month
In the middle of the Winter, in Jamaica, sippin' rum
You only live once, that's true
I ain't ever got some money and tried to act brand new
And I ain't gettin' no sleep 'til that pack get through
I like crazy stripper bitches with a attitude

Sometimes I feel
Like I need to pop me a pill
I'm bein' so real
Smoke weed and drink with these freaks
We now just chill
They just wanna fuck and do drugs
I know the deal
And that's cool
That's how I feel

Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Soon as I get it, I'm a spend
That's the way that I feel
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Soon as I get it, I'm a spend
That's the way that I feel

I'm into downers, outta town it's pay guap (Pay guap)
Why my phone always gotta stay hot (Hot)
Why this weed taste just like lemonade (Lemonade)
I hate to tell you, but your girl is a renegade (She a ho)
In the club, yeah, she faggin' off (Faggin' off)
Wake up in the mornin', send a package off (Package off)
Go to sleep prayin' that it make it there (God)
They don't hate the game, why they hate they player (Why)
Been around the world, seen a lot of shit (Hella shit)
Crooked cops tryin' hard to lock the kid down in a cell
I ain't goin' upstate
With the brown bag

Know I'm on my way
Yeah, it's callin' my name

Sometimes I feel
Like I need to pop me a pill
I'm bein' so real
Smoke weed and drink with these freaks
We now just chill
They just wanna fuck and do drugs
I know the deal
And that's cool
That's how I feel

Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Soon as I get it, I'm a spend
That's the way that I feel
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Dumb, dumb
Money comin' in
Soon as I get it, I'm a spend
That's the way that I feel

I'm on my way to a mill
That's just the way that I feel
It's just the way that I feel
All my girls are crazy and yours ain't
That's just the way that I feel
It's just the way that I feel
And I ain't sippin' unless it came with the seal
For real
That's just the way that I feel
It's just the way that I feel
I get to stressin' and then I take me a pill
Hmm
That's just the way that I feel
It's just the way that I feel

Sometimes I feel
Like I need to pop me a pill
I'm bein' so real
Smoke weed and drink with these freaks
We now just chill
They just wanna fuck and do drugs
I know the deal
And that's cool
That's how I feel
