

Side Bust

Berner

I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up
I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up

I'm only 20 minutes out, he said he's glad he came along
I was hesitant at first but knew he'd never do me wrong
See, the thing about the game, they envy where you at
First time they get a chance they gon' go behind your back
It was business as usual, I'm sealin' up the bags
'Til the homie asked the homie what kinda other shit he grabs
I know the margin's much better when you fuckin' with the Berne
See, I brought you here to learn
Get in line, wait your turn (Wait your turn)
Organize the 20's into five-grand stacks
You gon' come here in the morning and fly right back (Fly right back)
They exchanged numbers and everything was cool
It's my big homie and my l'il homie
Man, they know the rules (They should)
And now they talkin' like they best friends (Is that right?)
I think you know how the rest ends
Side rules, they end up faulty
When it goes wrong, please don't call me
I swear to God

I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up
I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays (Their own plays)
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up

You know me, if we meet you get a couple on each
You my O.G., we gon' make sure that you eat
I didn't mean disrespect when I hit 'em direct
I got a kid now, I'm just tryna run up a check
Man, I hear this all the time and they never follow through
I got soldiers on the team and they never follow suit
I used to get that phone call when they wanna bust a move
They got loose, they just do what they do
I'm out the loop (I'm out the loop)
I heard about Dayton and the fake gay-baitin'
That box got took while you outside waitin'
Here's a little game, when it come to money-makin'
Fuck a side play, you just gotta be patient
Be careful with your Rolodex (With your Rolodex)
You gotta stay solid or you won't regress (Or you won't regress)
He went around four people for the deal
And ended up with a bag full of dollar bills

I'm sick of side bustin', man I miss the old days

Make an introduction, they wanna make their own plays (Their own plays)
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up
I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays (Their own plays)
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up

If I make the intro and you exchange info
Then I'ma need my cut and every dollar that you touch (Every one of 'em)
My own friends do me dirty for a couple bucks (Do me dirty)
One thing you never do: undercut
I had 'em roll out in London buzzin' big ole blue bags
Two bands on each pound, I'ma buy some new land
I put my brother in the game, he felt like a new man
Shit got to his head, he got a new plan
Don't burn a bridge and try to cross one (And cross one)
He went bankrupt when he lost one (When he lost one)
Now I press "Ignore" when the calls come (When the calls come)
Reputation washed, he's all done (He's all done)
It's a small business, I'ma a hog in it (I'm a hog)
Seen my best friend switch up for a small ticket (Small ticket)
Top-dog shit, yeah, we ball different (We ball different)
Don't be caught slippin', you try and call 'em trippin

I'm sick of side bustin', man I miss the old days
Make an introduction, they wanna make their own plays (Their own plays)
My own friends do me dirty for a couple bucks
The game cutthroat, I'll show you how to level up
