

You've Got To Give Me Some

Bessie Smith

Written by S. Williams and recorded by Bessie in 1929.

Loving is the thing I crave
For your love I'll be your slave
You gotta give me some, yes give me some
Can't you hear me pleading, you gotta give me some
Said mister Jones to old butcher Pete,
I want a piece of your good old meat
You gotta give me some, oh give me some
I crave your round steak, you gotta give me some
Sweet as candy in a candy shop
Is just your sweet sweet lollypop
You gotta give me some, please give me some
I love all day suckers, you gotta give me some
To the milkman I heard Mary scream
Said she wanted a lots of cream
You gotta give me some, oh give me some
Catch it when you come sir, you gotta give me some
Hear my cryin' on my bended knees
If you wanna put my soul at ease
You gotta give me some, please give me some
Can't stand it any longer, you gotta give me some
Seeper called to Pele-Mele, sugar lump
Said I'm going crazy about your hump
You've got to give me some, please give me some
I can't wait eight days, you gotta give me some
Jaybird said to the peckerwood,
I like to peck like a pecker should
But give me some, yes give me some
I'm crazy about them worms, you've gotta give me some
