

I Wanna Know

Best Coast

Draw names deep in the sand, holding onto each other's hands
I wanna know [3x]

Telling lies, it's a big surprise, gazing deep into each other's eyes
I wanna know [3x]

It's a mystery to me, how much you really love me
I wanna know [3x]

And though I see ya' every night I never wanna leave your sight
I wanna know [3x]

It's alarming how charming you can be
And though I know it's wrong I've done it all along
But now it's time to say:

Baby goodbye
Baby goodbye

I saw you out just the other day, I didn't have a clue what to say
I wanna know [3x]

I miss the way you held me tight, I even miss our stupid fights
I wanna know [3x]

It's alarming how charming you can be
And though I know its wrong I've done it all along
But now it's time to say:

Baby goodbye
Baby goodbye

You can have me everyday or we can go our separate ways [3x]
You can have me everyday

Baby goodbye [8x]
