I Wanna Know

Best Coast

Draw names deep in the sand, holding onto each other's hands I wanna know [3x] Telling lies, it's a big surprise, gazing deep into each other' s eyes I wanna know [3x] It's a mystery to me, how much you really love me I wanna know [3x] And though I see ya' every night I never wanna leave your sight I wanna know [3x] It's alarming how charming you can be And though I know it's wrong I've done it all along But now it's time to say: Baby goodbye Baby goodbye I saw you out just the other day, I didn't have a clue what to say I wanna know [3x] I miss the way you held me tight, I even miss our stupid fights I wanna know [3x] It's alarming how charming you can be And though I know its wrong I've done it all along But now it's time to say: Baby goodbye Baby goodbye You can have me everyday or we can go our separate ways [3x] You can have me everyday Baby goodbye [8x]
