

Scream for War

Bestial Mockery

Fed up after years of peace
Now it's Satan's turn
Hellish vengeance strike at dawn
Jehovah's churches fucking burn

Nuclear warhead retaliation
Impact deathstrike devastation
Kill... War... Cunt... Mayhem

Scream for war
Nuclear war
Scream for war
Metal war

Give me pleasure, fucking war
Satan gives you pain
Tanks are rolling, stop at none
To the battle slain

Nuclear warhead retaliation
Impact deathstrike devastation
Kill... War... Cunt... Mayhem

Scream for war
Nuclear war
Scream for war
Metal war

Nuclear warhead retaliation
Impact deathstrike devastation
Kill... War... Cunt... Mayhem
