

## Supa Day

Betchadupa

If you want to be inspired  
If you want to satisfy  
Understanding is the key  
And i will try to remember  
Yeah  
If you want to get inside  
There's some rules you must obide  
Tell me what did you expect  
And i will try to remember  
Yeah  
It's gonna be a supa day  
Day  
If you want to be inspired  
If you want to satisfy  
Understanding is the key  
And i will try to remember  
Yeah  
If you walked inside my head  
You would get there in the end  
It's alright if you're involved  
It's gonna be a supa day
