Supa Day

Betchadupa

```
If you want to be inspired
If you want to satisfy
Understanding is the key
And i will try to remember
Yeah
If you want to get inside
There's some rules you must obide
Tell me what did you expect
And i will try to remember
Yeah
It's gonna be a supa day
Day
If you want to be inspired
If you want to satisfy
Understanding is the key
And i will try to remember
Yeah
If you walked inside my head
You would get there in the end
It's alright if you're involved
It's gonna be a supa day
Day
```
