

# All I Have

Beth Nielsen Chapman

You can say you love me  
And I'll believe that's true  
Trusting you is easy  
'cause I believe in you  
There is nothing I would miss  
As long as we're in love like this

All I have is all I need  
And it all comes down to you and me  
How far away this world becomes  
In the harbor of each others arms

I feel like I've known you forever and ever  
Baby that's how close we are  
Right here with you is where my life has come together  
And where love has filled my heart  
You know I'd go anywhere  
As long as I have you to care

Ooh-and with the love you bring  
I never want for anything  
I found what I've been searching for in you
