

# Happy Girl

Beth Nielsen Chapman

I used to live in a darkened room  
Had a face of stone and a heart of gloom  
Lost my hope, i was so far gone  
Crying all my tears with the curtains drawn  
I didn't know until my soul broke free  
I've got these angels watching over me

Oh watch me go  
I'm the happy girl, everybody knows  
That the sweetest thing that you've ever seen  
In the whole wide world is a happy girl

I used to hide in a party crowd  
Bottled up inside, feeling so left out  
Standing in the corner wearing concrete shoes  
With my frozen smile and my lighted fuse

Now every time i start to feel like that  
I roll my heart out like a welcome mat

Laugh when i feel like it  
Cry when i feel like it  
That's just how my life is  
That's how it goes

Oh watch me go  
I'm the happy girl and i've come to know  
That the world won't change just 'cause i complain  
Let the axis twirl i'm the happy girl  
Oh yeah, yeah, yeah, yeah i'm the happy girl  
Oh yeah, yeah, yeah, yeah i'm the happy girl
