

Oh God Of Loveliness

Beth Nielsen Chapman

Oh god of loveliness, oh lord of heaven above
How worthy to possess my heart's devoted love
So sweet thy countenance, so gracious to behold
That one, one only glance to me were bliss untold

To think thou art my god, oh thought forever blest
My heart has overflowed this joy within my breast
My soul so full of bliss, plunged in the rolling sea
Deep in the sweet abyss of holy charity

Oh loveliness supreme, and beauty shining bright
Oh ever flowing stream and oceans of delight
This faith by which I live, my truest life above
To thee alone I give my undivided love, amen
