

# Don't You Worry Child

Beth

There was a time  
I used to look into my father's eyes  
In a happy home  
I was a queen, I had a gold throne  
Those days are gone  
Now the memories are on the wall  
I hear the sounds  
From the places where I was born

Upon the hill across the blue lake  
That's where I had my first heartbreak  
I still remember how it all changed  
My father said  
"Don't you worry, don't you worry, child  
See heaven's got a plan for you  
Don't you worry, don't you worry now"

There was a time  
I met a boy of a different kind  
We ruled the world  
I thought I'd never lose him out of sight  
We were so young, I still think of him now and then  
I still hear the songs reminding me of a friend

Upon the hill across the blue lake  
That's where I had my first heartbreak  
I still remember how it all changed  
My father said  
"Don't you worry, don't you worry, don't you worry child"
