

# For My Love

Bethany Dillon

Walk towards me  
I want to hear  
The heavens singing over you  
When you breathe  
And look at me  
I want to be captured by you

Gaze into my eyes  
And let me know you'd fight  
Thousands, for my love  
Slip your hand in mine  
Ask me to dance with you tonight  
Just ask me for my love

I want to hide  
What's deep in my eyes  
I'm scared to be known by you  
But when I turn my head  
And see you there  
I want to be pursued

Gaze into my eyes  
And let me know you'd fight  
Thousands, for my love  
Slip your hand in mine  
Ask me to dance with you tonight  
Just ask me for my love

A dream I won't wake from  
A story that will never end  
The ground your feet walk on  
Let me be there, let me be there

Gaze into my eyes  
Let me know you'd fight  
Thousands, for my love  
Slip your hand in mine  
Ask me to dance with you tonight  
Just ask me for my love

Gaze into my eyes  
Let me know you'd fight  
Thousands, for my love  
Slip your hand in mine  
Ask me to dance with you tonight  
Ask me for my love
